The screenshot shows the SIAP MAN 2019 software interface. At the top, there is a navigation bar with the text 'SIAP » MAN » 2019' and a series of colorful icons representing different modules. Below this, a window titled 'Gastos » MAN » 2019' is open. Inside this window, there are several controls: a user selection dropdown set to 'ADM Administrador', a date range selector for the period '01-01-19' to '13-08-19', and a checkbox for 'Incluir Cancelados' which is currently unchecked. Below these controls is a table with the following data:
